Subject: Radiology and Ultrasound diagnostic imaging equipment

## REQUEST

I am writing to request data under the Freedom of Information Act 2000 for all the Radiology and Ultrasound diagnostic imaging equipment at the hospitals within your Trust.

For support, I have attached an excel document which sets out the information that I would like to gather. I would be grateful if you could populate the attachment and provide with your response. Hopefully this will make the process easier for the person collating and providing the information. A summary of the information requested in the excel attachment is shown below:

1. For each individual Radiology and Ultrasound diagnostic imaging system within the Trust:
  1. Site Location (Hospital Name)
  2. Manufacturer Name
  3. Model Name
  4. Whether the equipment has been Purchased / Leased / MES
  5. Age of equipment (years)
  6. Current Service provider name
  7. Current Service contract end date
  8. Current Service contract type:
    - i. Preventative Maintenance
    - ii. Fully Comprehensive
  9. Service cost per annum
  10. Planned replacement date

Where complete data is not possible, please provide as much of the available data as possible. An email response is preferable – if this is not acceptable please let me know and I will provide an address.
