## REQUEST

Does your trust have any diagnostic services provided by external providers outside the UK (eg radiology)?

If yes –

- What services?
- Which provider(s) have been chosen to provide these services
- How much is each contract worth
- For what time period will the contract run
- When did you first enter into these arrangements.

I would like the above information to be provided to me in the form of electronic copies.

If this request is too wide or unclear, I would be grateful if you could contact me as I understand that under the Act, you are required to advise and assist requesters. If any of this information is already in the public domain, please can you direct me to it, with page references and URLs if necessary.

If the release of any of this information is prohibited on the grounds of breach of confidence, I ask that you supply me with copies of the confidentiality agreement and remind you that information should not be treated as confidential if such an agreement has not been signed.

## RESPONSE
