Subject: Diagnosed eye condition

REQUEST

Within your trust how many patients have been treated, in the past 6 months January to June, 2017 by diagnosed eye condition. Of these patients how many are new to treatment [they have not previously received an injection /implant]?

	Total Patients	New Patients	Lucentis (ranibizumab) Patients	Lucentis (ranibizumab) NEW Patients	Eylea (aflibercept) Patients	Eylea (aflibercept) NEW Patients
Total	1160	37	498	19	594	15
Wet Age Related Macular Degeneration (wAMD)		37				
Other conditions (DMO, RVO or mCNV)						

If you do not have full records an estimate would be helpful.

Unfortunately we don't have figures that break down condition eg AMD/DMO/RVO
