Subject: Long term stress leave

REQUEST

Under the Freedom of Information Act 2000, I would like to request data on the number of NHS staff on long-term stress leave during the last year for which figures are available, as well as the total number of days they were on stress leave for, both broken down by staff category, if possible to include without incurring unreasonable cost or time effort for you.

RESPONSE

I would like to request data on the number of NHS staff on long-term stress leave during the last year for which figures are available, as well as the total number of days they were on stress leave for, both broken down by staff category, if possible to include without incurring unreasonable cost or time effort for you.

The NHS ESR system categorises stress along with depression/anxiety. A specific code for stress only conditions cannot be separated out for the purposes of this FOI.
