

Ref no: 179310717
From: Press
Date: 31/07/17
Subject: Cancer treatment

REQUEST

-The number of patients who have received NHS-funded treatment for cancer (including surgery, radiotherapy and medicines) at your trust who have also received cancer treatment privately at your trust (including directly and through private patient units located on trust premises), providing an annual total for each of the last five financial years.

-Where cancer treatment was provided privately for patients at your trust in addition to NHS-funded cancer treatment, the total value of treatments received, providing an annual total for each of the last five financial years.

-Where cancer treatment was provided privately for patients at your trust in addition to NHS-funded cancer treatment, the five cancer treatments that were most commonly provided privately, providing an annual total for each of the last five financial years.

-Where cancer treatment was provided privately for patients at your trust in addition to NHS-funded cancer treatment, please include a breakdown of patient numbers and value of treatment by type of cancer.

-The number of patients who have received NHS-funded treatment for cancer (including surgery, radiotherapy and medicines) at your trust who have also received cancer treatment from any private provider, providing an annual total for each of the last five financial years.

RESPONSE

The Trust does not hold this information.
