

Ref no: 208260419
From: Commercial
Date: 26/04/19
Subject: Floor plans of St Helens Hospital.

REQUEST

My details are as follows:

Name: Rosica Pachilova – doctoral researcher at the Bartlett School of Architecture, University College London (UCL)

Address: 11 John Archer Way, SW18 2TQ, London

Tel. number: 07414001893

Email address: rosica.pachilova.10@ucl.ac.uk

I would like to request digital copies of available documents containing information regarding:

1. Floor plans/drawings of all **inpatient wards** in **St Helens Hospital**. This could be in the form of a cad drawing, pdf or image format. Please see the attached floor plan of a ward to understand the level of detail I require. The drawings have to show the location of main furniture on the plan and rooms have to be labelled. I have no interest in any construction or specialists' drawings or more detailed information.
2. Results from the NHS Staff Survey 2018 aggregated on a **ward level**. The information available from the website of the NHS Staff Survey is aggregated on a trust level and unfortunately cannot be of use for the purpose of my study.

RESPONSE

1. St Helens and Knowsley Teaching Hospitals NHS Trust are unable to disclose plans of its site for security reasons.
2. It is not possible to provide results aggregated at ward level.
