Subject: Absence Management

REQUEST

1. How does the organisation record and report absence? Please list all software, systems and/or services used for absence management. Providing the information split by the following staffing groups

Please provide the above information in the below table, I have included four spaces across the staffing groups, if the organisation utilises more than four systems please add rows to detail all software, systems and/or services.

Staffing Group	Absence Management Software, Systems and/or Services	Other Notes: ie. is this specific to a speciality?
Nursing & HCA	1.	
	2.	
	3.	
	4.	
Medical & Dental	1.	
	2.	
	3.	
	4.	
Non-Medical Non-Clinical	1.	
	2.	
	3.	
	4.	

Examples of systems/software include:

- *Rostering providers (ie. Allocate, SMART, Rotamap, Software Enterprises etc)*
- *NHS Electronic Staff Record (ESR)*
- *Enterprise Resource Planning (ERP) (ie. SAP, Oracle)*
- *Absence Management Tools (ie. Empactis, Firstcare)*

RESPONSE

1. How does the organisation record and report absence? Please list all software, systems and/or services used for absence management. Providing the information split by the following staffing groups

Please provide the above information in the below table, I have included four spaces across the staffing groups, if the organisation utilises more than four systems please add rows to detail all software, systems and/or services.

Staffing Group	Absence Management Software, Systems and/or Services	Other Notes: ie. is this specific to a speciality?
Nursing & HCA	1. Allocate E-Rostering	Feeds into ESR
	2. NHS Electronic Staff Record (ESR)	
	3.	
	4.	
Medical & Dental	1. NHS Electronic Staff Record (ESR)	
	2. Allocate E-Rostering	Doctors in training only – Feeds into ESR
	3.	
	4.	
Non-Medical Non-Clinical	1. NHS Electronic Staff Record (ESR)	
	2.	
	3.	
	4.	

Examples of systems/software include:

- *Rostering providers (ie. Allocate, SMART, Rotamap, Software Enterprises etc)*
- *NHS Electronic Staff Record (ESR)*
- *Enterprise Resource Planning (ERP) (ie. SAP, Oracle)*
- *Absence Management Tools (ie. Empactis, Firstcare)*
