Subject: Diabetes patients

REQUEST & REQUEST

As part of the Freedom of Information process, please provide the following information in electronic format:

- The number of patients with Type 1 diabetes that are currently treated as an outpatient in the hospitals in St Helens and Knowsley Hospitals NHS Trust.

In order to provide the information requested, a manual check of case notes would be required.

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.

- The number of patients with Type 2 diabetes that are currently treated as an outpatient in the hospitals in St Helens and Knowsley Hospitals NHS Trust.

In order to provide the information requested, a manual check of case notes would be required.

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.

- The number of patients with Type 1 diabetes in the hospitals in St Helens and Knowsley Hospitals NHS Trust with an Insulin Infusion Pump.
