Subject: Total annual spend on cyber security

## REQUEST

I am currently in my final year of studying Cyber security at Liverpool John Moores University and intent to carry out a research project surrounding cyber security vulnerabilities and how to mitigate them within the NHS. In that regard, I would be grateful if you could provide me with the following information:-

What was your total annual spend on cyber security in tax years?:

- 2014-2015 – circa £30K
- 2015-2016 – circa £40K
- 2016-2017 – circa £80K
- 2017-2018 – circa £350K
- If any, how many successful and unsuccessful cyber attacks did you have during the above years?

Unable to disclose due to cyber security risk

- For the above years, what types of attacks or attempted attacks happened

Unable to disclose due to cyber security risk

- If any attacks were successful how did this happen and how was this dealt with?
