Date: 07/12/17
Subject: Security seals or tamper-evident products

REQUEST

- What security seals or tamper-evident products are currently used by the Pharmacy Department?
- What are these products used for?
- How many are used each year?
- What is the annual cost for these items?
- I would also like to know where the trust purchases these products from, i.e. is it direct from a supplier or from the NHS Supply Chain?
- Who is responsible for purchasing this product?

RESPONSE

Pharmacy utilizes the following products in the Safe and Secure distribution of Medicines to departments and ward within the Trust, purchased from suppliers and administered by the pharmacy procurement team:
