Subject: Daily Hospital Situation Reports

REQUEST

According to the Daily Hospital Situation Reports, published by NHS England as part of the WinterSit reps, St Helens And Knowsley Hospitals NHS Trust has recorded 3 occasions on which there were “operational pressures” between 1st and 27th of December.

Please could you advise when the ‘operational pressures’ occurred and details of what the operational pressures were.

RESPONSE

- **06/12/2016** – A&E Department was EMS Level 4 at 15:30hrs. Bed capacity issues.
- **09/12/2016** – A&E Department was on EMS Level 4 at 15:30hrs. Bed capacity issues.
