REQUEST

In your financial accounts for the financial year 2015/16 did you have a section for "losses and special payments?"

1. If so how much money was accounted for in the 2015/2016 financial year as being "losses and special payments"? (Please note I am aware that the loss may have occurred many years earlier but I am interested in items which were accounted for in the last financial year, irrespective of when the loss took place.)

Please detail the three largest single amounts within this total, giving a cost for each loss and a detailed description of the claim and the reason for the loss.
