Date: 15/02/17
Subject: Alzheimer Disease

REQUEST

For the years between 2012 and 2016

- How many people has your trust/hospital diagnosed with Alzheimer Disease for each of the years mentioned above? If possible could this be broken down by gender?
- How many people are seen within 12 weeks of being referred by a GP?

Please provide the information in the form of an Excel document

RESPONSE

- How many people has your trust/hospital diagnosed with Alzheimer Disease for each of the years mentioned above? If possible could this be broken down by gender?

Supplied by excel spread sheet as requested. Information can only give patients diagnosed as part of an inpatient stay. Numbers supplied are for a primary diagnosis

- How many people are seen within 12 weeks of being referred by a GP?

Unable to identify patients with Alzheimer from referral, we cannot answer this part of the request.
