REQUEST

I have been informed that I should forward my email to this address, regarding Freedom of Information.

Please could you confirm when your contract for Car Park Management will expire and also when the contract will be re-tendered?

Do you currently manage your own car parks or use a Car Park Management company?

Which Portal does the trust use when they tender the Car Park Management out?

RESPONSE

- 1 The Trust contracts out virtually all of its FM Services (including Car Park Management) to New Hospitals as part of a Private Finance Initiative (PFI) that runs through to August 2047. New Hospitals review the complete Soft FM service package every five years, the next occasion being in June 2018.
