Subject: Decarbonisation in healthcare

REQUEST & RESPONSE

1. Do you have on-site Electric Vehicle (EV) charging infrastructure for staff, patients and the wider community?

1. Yes, we already have EV infrastructure on-site ✓ - We are currently in the process of installing the charging points.

2. What if any impact do you think Electric Vehicle (EV) charging would have on your existing electrical infrastructure (please select all those that apply)?

1. I have the potential to create new revenue streams from my infrastructure ✓

3. What other decarbonisation technology have you/will you be adopting in the near future (within the next 5 years) *Tick all that apply*

- 1. Lighting upgrades ✓**
2. Increased building control and automation ✓
3. Upgrades in insulation ✓

4. Is your hospital currently participating in selling energy back to the grid through energy storage technology?

1. No, we are not but we plan to in the near future (next 1-5 years) ✓

5. Is your NHS Trust on track to meet its emissions reduction / decarbonisation targets as part of the overall NHS commitment to achieve a 'net zero' national health service?

1. Yes – we're on track to meet our decarbonisation targets ✓
