REQUEST

I am writing to request information pertaining to stroke services provided by St Helens and Knowsley Teaching Hospitals NHS Trust in particular, What percentage of stroke patients that have developed spasticity have received the recommended levels of physiotherapy set out in the NICE clinical guideline stroke rehabilitation in adults?

The information will enable us to gain a better understanding of the impact that COVID-19 has had on stroke services and rehabilitation and will subsequently allow us to support with the recovery of such services.

RESPONSE

Under section 21 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust do not have to provide information to the applicant which is easily accessible by other means. This information you require can be viewed here:
