REQUEST

I would like to make a freedom of information request to your Speech and Language Therapy Department, if you have one.

Please can you tell me whether your trust completes FEES (fiberoptic endoscopic evaluation of swallowing) assessments within the speech and language therapy department?

If so, on average, how many inpatient FEES assessments are completed per year and how many outpatient assessments are completed per year?

This is to help with a quality improvement piece of work and also the completion of a business case.

RESPONSE

We currently do not offer FEES (Fibre optic endoscopic evaluation of swallowing) assessments within the Speech & Language Therapy department.
