Subject: CT Scanners

## REQUEST

1. How many CT scanners do you have?
2. How many CT scans were performed in 2020?
3. How many radiographers do you have working in CT (Full Time Equivalent/week please)?
4. Do you staff the weekends as normal working hours or do you use overtime/agency staff to cover them?
5. Do you staff CT nights with a night shift radiographer or as an on call?
6. How many band 7's and band 8's directly work in CT?

## RESPONSE

1. 4 static dedicated CT scanners and a fifth relocatable CT scanner provided by NHS England.
2. 35,719
3. The trust staffs their CT scanners with 2x band 6 or above.
4. Normal working hours
5. Staffed at night.
6. 1x band 8 radiographer that manages CT and MR and can clinically work in CT if and when required.
